Comments from Recent Graduates

“I feel my training was excellent. Overall it was an excellent program and I would choose to do it all over again.”

“The training I received at Hines prepared me for a career as an NMT. The program/instructors were great and went above and beyond to insure that I understood the objectives. I felt I had plenty of hands-on experiences which made me confident and comfortable as an NMT.”

“The program gave me a great foundation for Nuclear Medicine. I learned a lot and was exposed to a wide variety of clinical procedures.”

Comments from Employers of Recent Graduates

“(The student name) did not present with any weaknesses. I am glad he is part of my team.”

“(The student name) is able to work independently. There have been no concerns with her knowledge or skill level.”
